Financial hardship should NEVER keep a young person from attending an event sponsored by The Diocese of Georgia. Scholarships offered by The Diocese are need-based and granted on a first-come, first served basis. The preference of The Diocese is to provide assistance based on a model of thirds, with the participant paying one third of the cost of the event, the participant's home church paying one third of the cost, and finally, the diocese paying one third. In this way, all interested parties share part of the financial responsibility. However, if the participant or participant's family cannot afford to pay one third of the total cost, further options can be discussed. You will be notified of your award amount after your application is processed and verified. If you have any questions, please contact The Rev. Canon Leigh Hall, Canon for Youth and Young Adult Ministries, by emailing [lhall@gaepiscopal.org](mailto:lhall@gaepiscopal.org) or by calling 912.236.4279.
